Parts Bags come in the following sizes:

- **Trim Panels:** Part# **SSPC-TB** 49" x 38"
- **Mirrors:** Part# **SSPC-MB** 24" x 20"
- **Headlights - Taillights:** Part# **SSPC-HB** 24" x 38"

Trim panels are delicate. Damage costs time and money and delays repair work.

Heavy-duty nylon SuperStorage Parts Bags are your solution to delicate parts handling problems.

Save the detail department from extra time cleaning or from potential replacement costs.

Protect expensive headlights and mirrors from scratches and other damage. Bags are designed for trim panels, headlights and mirrors. Any variety of grilles, aftermarket tinted glass or delicate interior parts can also be protected.
