

## I-VIEW

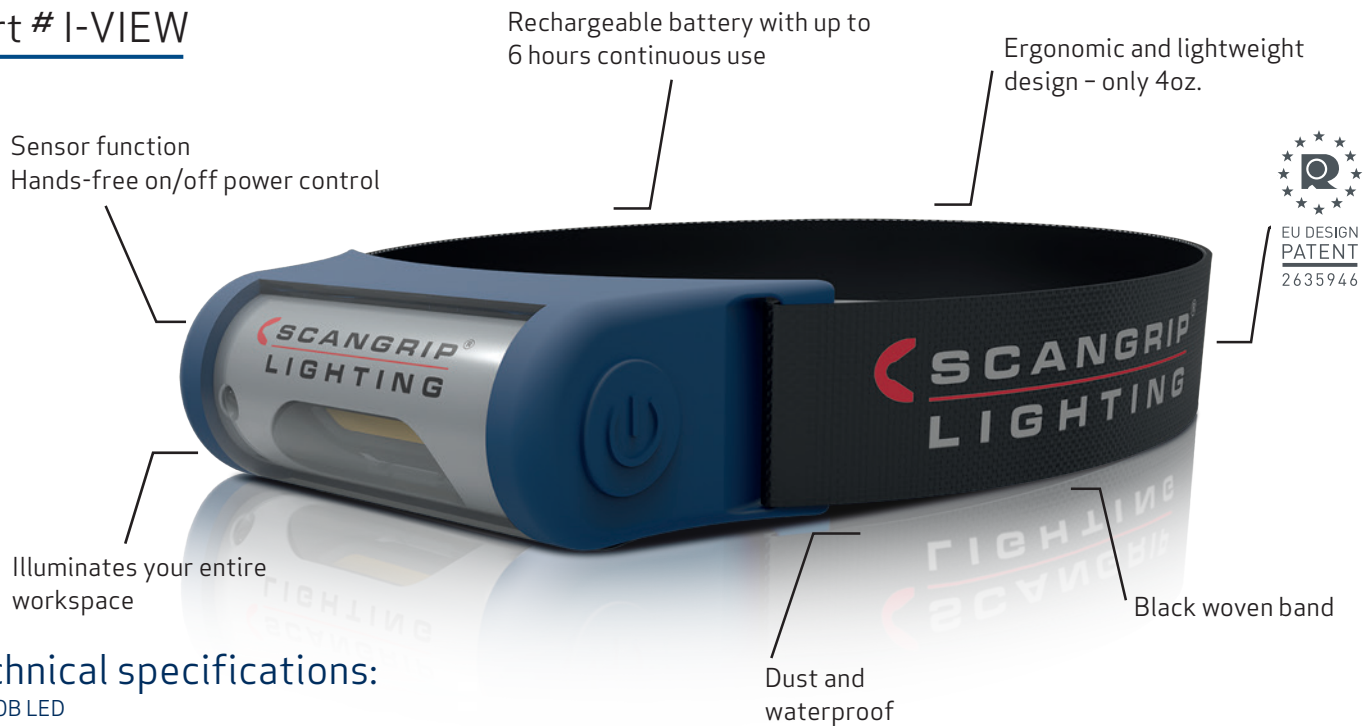

### Superior hands-free illumination

**INNOVATIVE**  
TOOLS & TECHNOLOGIES, INC.  
**Exclusive U.S. Distributor**

With the launch of our brand new I-VIEW headlamp, we are pursuing our vision to design innovative work lights for the professional end-user. There is no need to be limited in what you see. As alluded to in the product name, our new headlamp I-VIEW lights up your entire field of view: I-VIEW – see all you can see. The lamp is made to make your job easier, and there is no longer need for extra lighting. As opposed to other headlamps on the market, I-VIEW illuminates your entire workspace and you avoid turning your head to light up the area where you work.

#### Part # I-VIEW

#### Technical specifications:

- 2W COB LED
- 300/500 lux@0.5m
- 80/160 lumen
- 6h/3h operating time
- 2 step light function / step 1: 50% step 2: 100%
- 4h charging time
- 3.8V 1600 mAh li-poly
- IK07
